One of the challenges in reading the Bible is understanding how it all fits together. The team at The Bible Project understand how important it is to see how the individual books of the Bible fit into the larger narrative of God's story, God's mission, and how we can join his mission. Therefore, they have created a Bible reading plan and videos that will help us better understand the Bible as a unified story that leads to Jesus — who is at the heart of God's story and mission.

Our goal is to read the entire Bible together in 2020. We will follow the reading plan crafted by the good folks at The Bible Project and supplement our reading with the resources they have created and offer to the world free of charge.

Join me as we launch an exciting journey through the Bible in 2020. I promise you won't regret accepting the invitation. God will bless you beyond measure!

Happy reading!

## From Adam

Reading the Bible is exciting! Why? Because the Bible is the word of God, for the people of God, for the purposes of God. The Bible tells us everything we need to know about life and godliness. Reading the Bible deepens our understanding of life and God. Within the pages of the Bible, life is being dealt with.
